# TOBI'S PRIVATE CATERING

Tobi's Private Catering was born in 2019 as an add-on service to our restaurant business located near Bermondsey street.

Fast forward 6 years, TPC have quickly become a leading caterer working with premium hotel groups, wedding venues and corporate clients.

Our chefs, originating from a range of backgrounds, authentically curate Afro-Caribbean dishes served and plated with their own creative flair, alongside a Classic Italian menu crafted from the freshest ingredients imported directly from Italy.
